**September 24, 2008**  
**Minutes**

President Edwin Callahan called the meeting to order at 8:30 p.m. at the conclusion of the Association Annual Meeting. Members attending were Edwin Callahan, A. Monique White, Ken Yerger, Norm Green, Bob Delambily, Harold Adams, and Carolyn Griggs.

The meeting was called to discuss the formal request by Josiah Novack, a Mid-Atlantic certified official, for the Association to provide financial support for him to officiate at the USATF National Disability XC Championship in New York. After much discussion, the request was denied due to concerns of setting precedence.

With no further business the meeting was adjourned at 8:45 PM
