RE: Report of the Nominating Committee

The following is the report of the Association's Nominating Committee as appointed by the President to prepare a slate of nominees for the upcoming Sport Committee Membership Elections to be held at the Association's Annual Meeting in September. The Nominating Committee is comprised of Michael C. Hemsley, Association Vice President; Doreen McCoubrie, Membership Chair; and Norm Green, Treasurer.

Attached is the slate of nominees for each of the Youth, LDR and High-Performance Committees of the Association. Current membership has been confirmed for each nominee. The Committee is advised that each nominee has consented to stand for election.

Pursuant to Association Bylaws, and more particularly Article 8B, additional candidates may stand for election if nominated by petition or from the floor as set forth below and as more specifically set forth in Article 8B.

Additional candidates may stand for election and be included on the ballot at the time if the candidate is a current member and of required age (18). Nominations by petition must be delivered to the Secretary at least 15 days prior to the election (to be held on September 21, 2011) and shall contain the name of the nominee, his or her consent and the signature of at least three voting members as nominators. (To be eligible to be a voting member of the Association at this election an individual must have his or her membership processed by July 31, 2011). Nominations shall also be allowed from the floor at the Annual Meeting in September at which time the election will be held.

In noticing the election to the membership you may wish to consider re-issuing this description or, better yet, that contained on page 11 of the July newsletter which addresses the election process as well.

Respectfully submitted

Michael C. Hemsley, Esq.
